

Job Posting: General Accountant France

Position Overview:

- **Job Title:** General Accountant France
- **Position Reports to:** Financial and Administrative Manager
- **Employment Type:** Full-time Permanent
- **Location:** La Crau, 83, France

Company Overview:

Echoes is the European leader in providing neutral server and specific web products serving B2B customers and the fleet industry in the Short Rental, Leasing, and Mobility Operators sectors. Our unique technology collects data directly from the embedded telematics systems of OEMs. This data is harmonized and delivered to B2B customers via APIs or products tailored to specific needs and use cases.

In 2023, Echoes solidified strong partnerships across Europe, launched international clients in various countries, and expanded market share in the Rental and Leasing markets. In early 2024, we merged with Moving Intelligence, a leading Dutch company in tracking and security solutions for assets. Together, we aim to become the European leader in Telematics and Connected Vehicle solutions within the next five years.

Position Summary:

As we expand globally, we seek a dynamic and experienced General Accountant to join our administrative and financial team. You will play a crucial role in the economic and financial management of the Echoes Group by handling the accounting for our French entity.

Key Responsibilities:

- **Accounting Management:**

- Collect, verify, and centralize commercial, industrial, contractual, legal, and financial data.
- Prepare account balances, income statements, balance sheets, and other documents in compliance with legal requirements.
- Assist in the preparation of journal entries and closing operations for balance sheets.

- **Compliance and Reporting:**

- Ensure compliance with legal, tax, and social obligations, including declaration and payment.
- Periodically update and improve economic and financial dashboards, including cash flow, monthly results, and analytical accounting.

- **Financial Analysis and Monitoring:**

- Monitor and maintain various activity tracking tables.
- Analyze financial data to assist in strategic decision-making.

Candidate Profile:

- **Educational Background:**

- Minimum Bac +2 degree in accounting.

- **Experience:**

- At least 3 years of experience in a similar position.
- Strong understanding of financial analysis, general and analytical accounting, budget management, and performance monitoring.

- **Technical Skills:**

- Proficient with databases, accounting software, and Excel.
- Demonstrates rigor and organization in work.
-

- **Personal Attributes:**

- Enjoys working in a team-oriented environment.
- Strong sense of service and client relations.
- Proactive and responsive, with the ability to work independently.
- Committed to contributing to an organization with social and environmental impact.

Benefits:

- Health insurance
- Meal vouchers
- Home office option: 2 days per week

Application Process:

Join our team and play a key role in driving the global expansion of Echoes as we continue to revolutionize the vehicle data industry with our innovative SaaS solutions.

To apply, please submit your resume and cover letter to elodie@echoes.solutions.
